

Utility Payment Conference

What We've Done

By implementing a few small changes at the conference, we can all make a difference for a cleaner tomorrow.

What We've Done:

We've reduced our paper footprint and use less paper at the conference

- Speaker presentation and session handouts are sent via email to attendees and are available 2 weeks prior and after the conference
- One agenda is provided to each participant for the entire conference upon registration
- Attendance lists are sent via email to all eligible conference attendees approximately 2 weeks prior after the conference

What You Can Do:

Reduce your carbon footprint as much as possible.

- Register online to reduce the use of paper and associated energy costs
- Promote the conference by sending an email and/or calling business associates that may benefit by participating and ask them to visit our website to learn more
- Use public or shared transportation when traveling to, from and around conference location
- Turn your name badge and lanyard in on your last day of attendance
- Recycle your conference materials when possible
